

Minnesota Department of Natural Resources License

CLICK ON THE PRINT BUTTON TO PRINT YOUR LICENSE.

For your convenience, you may print multiple copies of this license (see #5 below)

After printing, close this window [x] and click on "Return Home"

Your license is printed below. To legally use your license, you must follow these instructions:

1. Sign your license. Licenses are not valid until signed.
2. Cut along the outside border of the license, then fold as indicated. (NOTE: Should you choose to laminate your license document, you MUST ensure that all four sections of the license are visible for display to a law enforcement officer.)
3. Carry this license with you while participating in the activity covered by the license and display it to a law enforcement officer upon request. You are strongly encouraged to carry photo identification in addition to your license, as law enforcement officers may require additional identification during routine license checks.
4. I understand that a hunting license issued by the Department of Natural Resources does not authorize the possession of a firearm by a felon or anyone who cannot possess a firearm due to a conviction for a crime of domestic violence.
5. Be aware of the following: You are allowed to print multiple copies of this license. However, state law prohibits you from borrowing or loaning this license to anyone.
